### **Presidents Message –**

Welcome to the 2023 Labrador Retriever Club of Qld Inc. Double Header Championship and Open Show.

Best of luck to everyone, enjoy the show and please help with its smooth running.

Firstly, I would like to thank all of you for your patience and understanding with postponing the June Show date and allowing us the time to prepare for the shows today. On speaking with Mr Jean-Louis Blais, who has made a full recovery from his accidental injury, he has asked to extend his gratitude to all who have sent him well wishes.

Secondly, I would like to thank the committee's work in navigating through another postponement and contributing to a seamless process in arranging a replacement Judge. I am also grateful to our Championship Judge, Ms Julie Bedford-Pope (Croftsway NZ), for accepting this appointment at such short notice to judge at our Championship Show. I further extend this gratitude to our Open Show judge Ms Melanie Attridge for accommodating the change of date. Further thanks to our major sponsor Advance Pet Food, and to Kong, Orivet, Show Manager and to the many others who have donated trophies and prizes.

Lastly, I would like to express my sincere appreciation and thanks to our club Patron, the Honourable Mr Milton Dick, Speaker for the House, MP for Oxley, for your interest, involvement, and contributions towards our club.

We have named this Championship show as a memorial to Ms Wendy Sleeman, to pay tribute to a kind soul and fellow LRCQ member who was tragically taken away in a most shocking event. She was a dedicated breeder whose involvement in the breed extended over 27 years, and in that time, proudly produced loving dogs for a number of families. Her dedication in promoting the breed especially as Assistance and Companion dogs for children in need was commendable. Wendy will forever be missed, and I only hope she is reunited above with some of her beloved dogs.

Sincerely,  
Wilhelm Chang  
President, LRCQ Inc.

# **Meet the Judges**

## **Championship Show Judge – Mrs Julie Bedford-Pope (NZ) Croftsway Labradors**

I first entered the world of pedigree dogs and shows at the age of 12 in 1975, with a yellow Labrador bitch. I subsequently titled her in the show ring, and she attained her QC at Field Trials.

I am a Life Member of The Labrador Club (NZ).

I commenced judging in the early 80's and first awarded CC's in 1987. I have judged extensively in New Zealand, and I have also had the pleasure of judging Labradors and other Sporting/ Gundog breeds in Australia (6 x), Russia (3 x), Belgium, Japan, Brazil, Canada and many times in the USA. I am licensed to award CC's for the entire Gundog (Sporting) group (FCI Groups 7 & 8).

Highlights of my judging career would be judging the Labrador Club of Queensland (Australia) Silver Anniversary show (1989), judging bitches at the Labrador Retriever Club of the Potomac in 2010, Euro Dog Show (Belgium) 2012, and judging the Canadian Labrador National in 2022.

I have also attended major shows throughout Australia, the UK, USA and Europe.

I have imported many dogs and bitches from around the world, and the kennel has also successively exported dogs to Canada, USA, Japan, Russia, Philippines and Australia. Our stud dogs have Champion progeny throughout the world including the UK where a daughter of Bobby's also won the CC at Crufts.

As a kennel we have enjoyed tremendous success at all levels winning Best of Breed at our National and Specialty shows on many occasions. We also competed at the Australian Labrador National show in 2006 and were awarded Runner Up Best In Show.

The kennel also has the privilege of having owned, bred and handled the Labrador Breed Record holders in New Zealand NZ. GRAND CH. CROFTSWAY FIRST KNIGHT (Bobby) who won 13 Best In Shows (All Breeds & Specialty), and NZ. SPECIALTY GRAND CH. CROFTSWAY TOMMEE who has so far won 7 Best In Shows at Specialty level. Tommee's progeny are now winning Best In Show awards at All Breeds & Specialty level.

I am very much looking forward to returning to judge the LRCQ Speciality.

## **Open Show Judge – Miss Melaine Attridge (QLD)**

My family has been involved in confirmation shows for a number of years breeding and showing Jack Russell Terriers and Border Collies. Personally, I started off in the dog world at the age of 10 in Junior Handlers which I thoroughly enjoyed until I turned 18. I then commenced my judging journey firstly becoming a junior handler judge and then a trainee confirmation judge. Over the years I have thoroughly enjoyed my judging journey and am now a licensed championship judge for Terriers, Working Dogs and Hounds and an open show judge for Gundogs and Non-Sporting. I feel privileged to be invited to judge the Labrador Club of Queensland's Open Show and thank you all for your entries. I look forward to an excellent day of judging and wish all the exhibitors the best of luck.

# Wendy's Tribute

Wendy Sleeman of Lissatink Labradors has been a fellow member of the Labrador Retriever Club of Queensland Inc. with her involvement in this breed extending over 27 years. When I received the tragic news, which still pinches my heart, I have been trying to find the best remedy for coming to terms with such a difficult and shocking event. What comes to mind is that I can hold on to the honour and privilege to have known Wendy.

Our friendship first started through Wendy's involvement with her beloved Lissatink Labradors. Wendy was a strong, intelligent, and softly spoken woman with firm views on what she believed was important as a Labrador breeder. Combined with these attributes, Wendy had a heart of gold, was a model of love, compassion and generosity which were well respected in our small community. I have always said to people that just because dogs do not run round with mobile phones in their paws does not mean they have not developed over thousands of years. One of the main things about the Labrador Retriever is their ability to be extremely intuitive far beyond what many people understand. Wendy agreed and was able to reflect these important attributes in her puppies. Some of her dogs have gone to graduate as Guide Dogs and as therapy dogs for children with Autism.

Wendy did have a short break from breeding more recently due to some mobility issues attempting to tend to puppies, however her enthusiasm for the breed continued. I was fortunate to recall an email correspondence with Wendy which uses her own words to reflect on her time as Labrador Retriever breeder, "As you might remember, my philosophy was that our breeding females are family pets and grow up in the house. Eventually, our puppies will go to owners who have been carefully screened to ensure that they find the perfect family. Over my 25 years of breeding Labradors, we concentrated on providing happy, healthy, physically sound puppies. Some of our pups have trained to be Guide Dogs or gone on to obedience /tracking work. The majority have gone to loving families. I have had a great success rate in placing pups, and over the 25 years, I have only rehomed about 3 of my pups (mostly due to family breakdown)."

There is no doubt Wendy fulfilled her dream which is demonstrated by her small kennel's remarkable record. As I reflect on the saying 'not judge a book by the number of pages' I believe this to be true for Wendy. Although her time here was tragically cut short, Wendy's life was full of the joy of her dogs which was clearly seen with her love of them, and her commitment to their welfare, breeding, health, and above all securing the best owners for her puppies.

Wendy will be sorely missed by her family, friends, and the Labrador Retriever community to whom she contributed so very much.
