Prizes:

General specials: Trophy & Sash

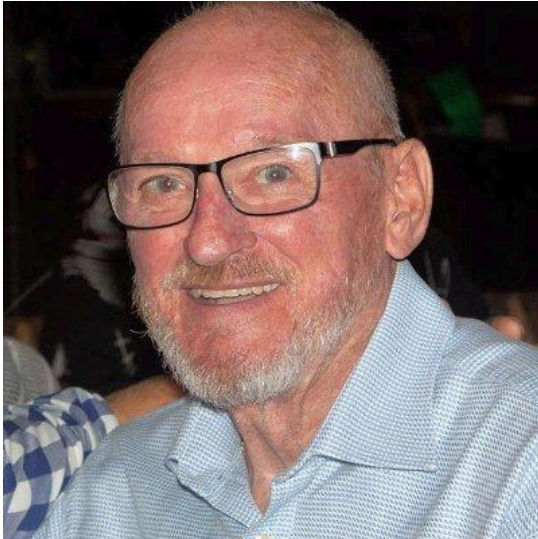

Property classes: Trophy & Sash

Refreshments: Available on grounds

Camping: Available on grounds contact Dogs NSW <https://dogsw.org.au/bookings/camping>

Vale Tom Couchman

This year we sadly lost an incredibly special gentleman, who was a long standing friend and supporter of the Finnish Lapphund Club of NSW- Mr Tom Couchman. Today our specialty is in memory of Tom and to acknowledge the tremendous contribution he made to the NSW dog community.

Tom Couchman was born on the 15th April 1943. One of five children, he grew up in Sydney, attending Erskineville Selective Primary School and Canterbury Boys Selective High School. Tom joined the company Mitsubishi in his late 20's, where his hard work and intelligence propelled him through the corporate ranks. He held the position of Deputy Managing Director and Company Secretary, and at the time of his retirement he was the highest ranked Australian in the company world wide.

Tom joined the dog world, and was a breeder, exhibitor and judge himself. However the areas where Tom had the most impact, were in the roles and duties where he provided service to others. Tom was an incredibly selfless person, who utilised his keen intelligence and past business life skills to assist the people within the NSW dog world. He served for many years as the President of Dogs NSW. And then as Show Secretary and Cataloguer, and informally as the go to person for advice or assistance. Tom could have directed his considerable talents and efforts to any area; we in the NSW dog world were so incredibly fortunate that he chose us to dedicate himself to. And that he did- with tireless dedication. He worked day and night preparing the many shows he managed. He was a reliable source of information regarding important regulatory matters which he would share through social media. He would take your phone call day or night or chat in person, assisting with everything and anything. He was a wealth of knowledge and there was no limit to the amount of his time that he would give to you.

Tom was a long term supporter of the Finnish Lapphund breed in NSW. Our early exhibitors and breeders will fondly remember his gentle encouragement and support of the breed. Tom would always be toiling away in the office at shows, and you would never have thought he was paying such keen attention, but he was. And he would offer uplifting words of support. He was particularly nurturing of new exhibitors and would provide words of encouragement that made you feel seen and welcomed.

From the inception of our club in 2011, Tom was on hand, providing advice and encouragement. In 2013, we were bestowed the honour of being the 'Featured Breed' at the Warners Bay Dog Sports Club All Breeds Show. This was quite substantial for our small breed population of the time. We were thrilled to have 11 Lapphunds exhibited on the day and to showcase the breed to the public and other exhibitors in a parade before Best in Show was judged. Tom, who was President of Dogs NSW at the time, proudly read over the loudspeaker the history of our breed and spoke about the versatility of the Lappies we know and love.

In recent years, Tom took under his wing our breeds own Jordan Long. Jordan, who had been a junior handler from the age of 7, progressed to assisting Tom and other show secretaries by gathering ringside paperwork and taking to the office at shows. Tom noticed Jordan's diligence and willingness to learn and assist at shows and they formed a very special relationship. Tom provided mentorship to Jordan, with the patience and support of a grandfather type figure, coupled with the mutual respect one would have for a peer- despite the 66 odd year gap between them. With his nurturing advice and guidance, Jordan flourished and as a young teenager is now a ring steward himself, with such a bright future ahead of him in dog land, in part due to Tom.

Tom was as humble as he was knowledgeable; and in truth would probably not have enjoyed the outpouring of attention that has followed his passing; he wouldn't have wanted a fuss made over him. But such was the admiration and respect held for Tom far and wide in the NSW dog community. He made such a difference in so many people's lives, and in his own special ways.

Tom was a multi faceted man of many talents, and during Covid he utilised his skills to found and administer a Facebook group for his local community with Covid related news and updates. This group had 19,000 members and Tom put his investigative talents to work on researching the multitudinous changes that were continually occurring Australia wide, updating people and helping them to negotiate the minefields of conflicting information that were confusing us during those difficult years.

Such was his contribution that the Central Coast MP Lisel Tesch acknowledged Tom's work in parliament, citing Tom's tireless work behind the scenes sourcing and providing

information, and the impact he had during this time in the Central Coast region. Ms Tesch highlighted that through his work, it was possible that he had saved lives and prevented infections and provided her personal gratitude to Tom in recognition of his service. The dog community will all nod their heads in agreement with Ms Tesch's final words, 'Whilst we may never know the true extent of the impact of his tireless work, we do know that he has helped countless people'.

I will leave you with words said by Tom himself late last year when informing the dog community of his health status;

'We all know that life is full of steps and adventures. Surely the road will eventually lead to the whole world so we can all see the big picture'

Tom, we hope you are enjoying your well deserved view. We thank you for your service and please know the great impact you had on so many people's lives. There will only ever be one Tom Couchman, and how fortunate we all were that you chose the NSW dog world as your home.

The benefits of DNA testing

- ✓ Ensures your responsibility as a breeder in maintaining the best standards when it comes to the health of your animals
- ✓ Allows you to screen for relevant diseases – assess genetic status (clear or carrier or affected)
- ✓ Screens for desirable traits such as coat colours & hair length
- ✓ A DNA profile (fingerprint) allows you to verify any stud service, multiple sires and confirm pedigrees
- ✓ Focusing your testing on your breeding stock will allow you to predict outcomes for future litters

So simple, easy & pawfect...

- ✓ DNA collection is via a non-invasive cheek swab
- ✓ Test at any age
- ✓ Orivet's Innovative Full Breed Profiles screen for all diseases and traits relevant to your breed

animal care

All natural, high quality treats delivered straight to your door

- ✓ 100% preservative and additive free
- ✓ Sourced from Australia and New Zealand
- ✓ Fast dispatch times and real customer service
