If you have something to say, don't rely on the internet to get your message across, the chances are most of the people that you want to see it won't!

Our readers tell us they continually go back to Dog News Australia, over the month that it is current, seeing every picture, and reading every story, and of course looking at the beautifully designed advertisements along the way, and they trust what they read in print!

Queensland Veterinary Specialists

Established in 1982, Queensland Veterinary Specialists (QVS) is the first private, specialists hospital in Australia.

Since this time, QVS and subsequently PetER have expanded to provide specialised and emergency patient care across a range of disciplines via referrals from other veterinarians. We receive referrals from all over Australia to our two Brisbane hospitals located in Stafford and North Lakes in Brisbane, Queensland.

We take great pride in our availability and client focused delivery of care. Our veterinarians supported by the excellent staff around them, go out of their way to be available for short notice consultations and emergency presentations whenever the need arises.

It goes without saying that teamwork is essential to good outcomes. QVS is a place where hierarchy is discouraged and an ethos of everyone pitching in to get the job done is promoted. We have a work family of over 180 including, veterinarians, nurses, technicians, radiographers, client services and support staff.

SPECIALISTS SERVICES

We have an integral set of services available covering internal medicine, orthopaedic/soft tissue and neurosurgery, oncology, anaesthesia, dermatology, reproduction, cardiology, dentistry, diagnostic imaging, 24-hour emergency and critical care and physiotherapy.

Our onsite diagnostic imaging hub houses high field MRI, CT, ultrasound, multiple DR and fluoroscopy units. We have full time radiographers maximising the utility of these advanced tools.

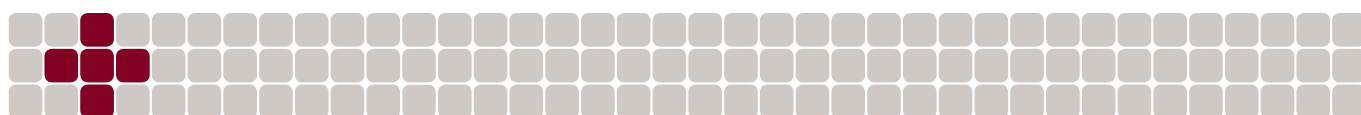

Both of our hospitals have been architecturally designed and built for purpose, ensuring maximum use of space whilst ensuring staff comfort and welfare is enhanced.

We provide a comprehensive and compassionate service in all aspects of cancer.

The most common presentations are for lymphoma, mast cell tumors, osteosarcoma and soft tissue sarcomas.
