JUDGES MESSAGE

I have been breeding Collie (Roughs) under the Swinbrad prefix in Australia for over 40 years, in this time I have bred, owned & handled many to their Championship titles & Supreme Championship titles with numerous Best in Show awards along the way at both Speciality & All Breed Shows. We have also added Keeshonds (Calivale) to our Kennels over the last 7 years with much success as well.

I am currently licensed to judge 6 groups at Championship show level, I passed my Working Dog Group Judging License in 1999, since then I have added the Utility, Gundog, Non-Sporting, Terrier & Toy groups. I am currently enrolled in the 2022/23 Judges training scheme for the Hound group which I can & have judged at Open Show Level. I have judged in most states of Australia as well as

N.Z on numerous occasions both All Breeds & Speciality shows. In April 2011, I was given the privilege to judge my own breed at the Colorado Collie Club, held in Colorado USA. I also had the pleasure of judging at the Georgina Kennel club at Lindsay Ontario Canada in November 2017 where I judged most of my groups & as well General Specials. I am also licensed to judge Junior Showmanship classes & have done so at the highest level in this country, I always take great pleasure in judging these classes as I believe they are one of the most important events at shows, as these young people are the future of our Dog World. I would like to thank the committee, members & breeders for the invitation to judge at your show, to judge your own breed at speciality level is always a privilege & great honour.

I hope you all enjoy your day out with your friends both two & four legged & the weather is kind to us.

Regards, Donna Morris Swinbrad Collies/Calivale Keeshonds Australia

Presidents Message

It's so exciting to be able to hold another Specialty show. Leading up to the event, there was a great effort from the Committee to organize everything so well. Everyone contributed so we were able to offer this year, so much more. The Orivet raffle via Showmanager was a huge success, as well as allowing Collie enthusiasts to advertise their gorgeous dogs in the catalogue. We also voted that property classes would again be offered at the show & for the first time we decided to encourage all families to join us on the day and participate in charismatic collie classes. These would be just for fun & include best dressed, egg & spoon races, fluffiest, loudest, best trick & waggiest tail. We are hoping these will be well attended & give everyone a chance to have a good laugh. One of the highlights of the day will be the grooming demonstration to be expertly presented by Marilyn Clarke for everyone wanting to learn the finer points in the care of the beautiful Collie coat. I'd like to give massive thanks to Donna Morris & Charlotte Holman for being our brilliant judges of this special day as well as our wonderful stewards, patron & life members who will also be joining us.

We are currently planning next year's show(s) & fundraising activities. We're open to suggestions & encourage everyone to contact us if they want to be involved. I'm aware of a few great initiatives to be discussed at our next meeting.

If anyone wants to forward results from shows or trials, we'd love to hear from you, so we can add the information to our next Newsletter.

Hugest thanks to our awesome Committee that work so hard & so well together keeping our club strong. It's incredible that we're already in September & before we know it, Christmas will be soon approaching. We're wanting to have another General Meeting soon & this will be communicated via Facebook & email. Hoping everyone has a great day at our Specialty show & best wishes.

Meet Nakor (more officially known as Ch Sunshard Advocate of Illusions TK.S). Nakor has 'opinions', lots of them and he enjoys sharing them and you don't even need to ask him for them—he's very generous like that. He's also just a bit of a boy racer. He likes to run a lot and it's even better if he can combine that with hurtling over things... preferably at speed. The faster the better... can we break the sound barrier? Well, we can always try!

In between practicing his skills at oration, debating, going fast and being clever (well he thinks he's clever... but can we say smart arse?!) he also enjoys practicing for his other great ambition in life... Being the next male centrefold for Cleo.

Officially Nakor was bred by Clare who refuses to take any responsibility for him and lays the blame firmly at Amy's feet... and of course she sent him to Rocky (make of that what you will) so he could run riot all over QLD which is, of course, exactly what he does!

If you'd like a more serious (aka boring) introduction to Nakor and his health testing, not to mention his sporting and show exploits, he has a Dogzone profile for you to check out

With pleasure I proudly introduce my two special Cathgarry boys, Bear and Kody

These two extra special half-brothers boast some fantastic European bloodlines through CH Steadwyn Fire Caster (Imp Sweden), Int. Ch/Fin Ch/EE Ch Ladnar Kiss Master & Eng. Ch Beldones Black Illusion.

Due to other commitments, both Bear's and Kody's show careers to date have been very limited, However I am hoping to get out with these gorgeous boys in the near future to continue promoting the top award winning "Cathgarry " prefix.

My grateful thanks to Garry and Kath Drew for entrusting me with such precious boys.
