...or 30 days on the  
coffee table?

The choice is simple!!

If you have something to say, don't rely on the internet to get your message across,  
the chances are most of the people that you want to see it won't!

Our readers tell us they continually go back to Dog News Australia, over the month that it is current,  
seeing every picture, and reading every story, and of course looking at the beautifully designed  
advertisements along the way, and they trust what they read in print!

So if you have something to share with the Australian Dog World –
