President's Welcome – Rochelle Oberholzer Ferriday

Ladies and gentlemen, esteemed exhibitors, judges, and Rhodesian Ridgeback enthusiasts,

On behalf of the Rhodesian Ridgeback Club of Queensland, it is my great pleasure to welcome you to the 2024 RRCQ Championship Show.

As we gather here today, surrounded by the beauty, grace, and undeniable charm of our four-legged companions, we embark on a journey of excellence, sportsmanship, and celebration of the canine spirit. This championship show is not just a competition; it is a testament to the dedication, passion, and unwavering commitment of dog lovers from far and wide who have come together to showcase the best of the best in the world of purebred dogs.

Throughout the course of this event, we invite you to witness the culmination of countless hours of training, grooming, and nurturing as talented handlers and their canine partners take to the ring in pursuit of greatness. Each wag of a tail, each prance around the ring, each attentive gaze - they all tell a story of the special bond between humans and their furry companions.

As we marvel at the exceptional Rhodesian Ridgebacks on display, let us also take a moment to appreciate the camaraderie, friendship, and shared love for these dogs that unite us all in this exhilarating experience.

I extend my deepest gratitude to all participants, sponsors, volunteers, and supporters who have made this event possible.

Welcome to our judge - Mrs Leslie Fairhall - we are honoured to have you here with us today.

May this show be filled with memorable moments, thrilling competition, and the joy that only our beloved Rhodesian Ridgebacks can bring. I wish each and every one of you the best of luck, and may the spirit of sportsmanship and respect guide us throughout this event.

Welcome to the 2024 RRCQ Championship Show - where excellence meets passion, and where the love for the Rhodesian Ridgeback knows no bounds. Let the show begin!

RRCQ Rescue

The Rhodesian Ridgeback Club of Queensland Inc has run Ridgeback Rescue for nearly 3 decades. For the majority of those years the Club has been extremely lucky to have a very dedicated and passionate advocate for the breed in our Rescue Officer Ricki Smith. In general Ricki and her band of helpers have developed excellent relationships with pounds and shelters throughout Queensland and have even extended help and support Australia-wide.

Rescue dogs are desexed on entry into the Rescue program, evaluated for temperament or health issues and considerable time and effort is spent in matching dogs to suitable homes. We are extremely grateful to all the members who assist in Rescue and particularly those who foster dogs while they are looking for a 'forever' home.

Being involved with Rescue can be heart breaking but the successes and the joy of seeing sad, lonely, forgotten dogs find new love and life with their new families makes it all so worthwhile.

This Parade is only a very small representation of the hundreds of dogs that Rescue has put back on the road to a great life but the Parade presents an unmissable opportunity to thank all those who adopt a Rescue dog and to enjoy seeing just a glimpse of the many happy endings that have been achieved.

The mission of Rhodesian Ridgeback Rescue Qld is to provide for the rescue, care and adoption of abandoned or unwanted Rhodesian Ridgebacks, as well as to protect and preserve the integrity and welfare of the Rhodesian Ridgeback breed.

What is Rescue

Put simply a rescue dog is one that needs a new home. They come from all sorts of varying backgrounds – but mainly fit into two categories:

- dogs that are surrendered by their owners to the club
- dogs that are surrendered to the pound, RSPCA or Animal Welfare groups.

If you do not help the first category it will then become the second category.

In the first category:

Some of the rescued dogs come from loving homes that for some reason can no longer keep their pets with reasons ranging from: an owner who has died or needs to go into a nursing home; families that are forced to make a lifestyle change, such as moving overseas or into a unit; due to divorce and the financial restraints that this may impose.

Some People give up their dogs because they were unprepared for the lifestyle requirements of the breed or they did not spend time to properly train their dogs when they were puppies. In most of these cases a complete background of the dog's health and temperament is usually available.

In the second category:

Some of the rescue RRs that are obtained from animal shelters are ones that were found as strays or surrendered by people for the reasons above. With these dogs a health and temperament history is not always available and the club must determine the suitability of the dog to be rehoused. They are also taken to a veterinarian for a health check, immunisation and desexing if not already desexed.

Our rescuers and fosterers have a passion for helping those dogs less fortunate than their own, which is why they keep doing what they do regardless of the sad times that they may have become involved in. We would like to pay homage to everyone involved and all of those rescue dogs for being a part of our parade.

Rescue Parade

Some of the dogs that have been rescued or rehomed through the Club are with us today for the Rescue Parade.

Izzy

Mim Phillips

A year has passed, and I'm firmly settled in my forever home. Mum and Dad relocated to Victoria Point, which is perfect for my walks. I enjoy 'zoomies' around on the beach when no one's watching, as it might startle people if they saw me. Although I'd never intentionally knock anyone over, I do tend to get as close as possible 😊😂😂.

I behave well during our walks near the golf course, even when we pass those big ducks, but I can't guarantee the same if I were off leash. I still enjoy lovely walks with my foster sisters and foster mum Tracy; we all eagerly anticipate our get-togethers. Huge thanks to Ridgeback Rescue for taking care of us when we were lost and then connecting us with such wonderful humans 😊😊. Love always, Busy Izzy

Tia

Tracy & Mark Larsen

I am Tiamisu, formerly a puppy mill breeding bitch, now the guardian of the beds. A year ago, I was very frightened, but I'm gradually becoming more confident each day. While I'm still not overly confident outside of home and remain wary of men, I'm finding joy in camping and walking. I have a knack for asserting my authority over other dogs, though I've been told I need to tone that down a bit. Thank you, Rhodesian Ridgeback Rescue, for finding me a forever home with humans who adore me.

Jarrah

Belinda & Ian Booth

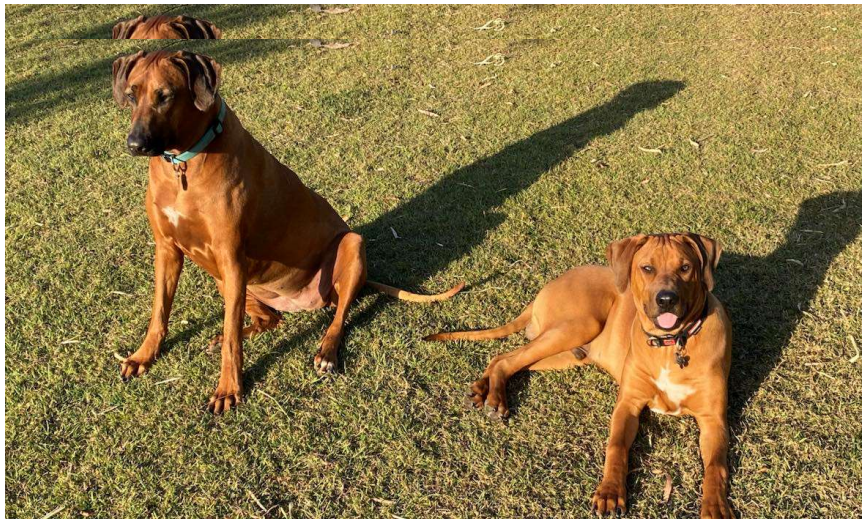

Over three years after losing their old Ridgeback cross, Belinda and Ian stumbled across Taco on the Rhodesian Ridgeback Rescue Qld Facebook page in February. His bio mentioned that he would need high fences and highlighted his tendency to escape, so with a little trepidation, they visited him at his foster home the next day and took him home that afternoon. At 10 months old, Taco (now renamed Jarrah) was full of energy, quite underweight, and had itchy skin.

Now relishing the good life as Jarrah, he's being spoiled by his empty-nester parents in his forever home. He adores cuddles on their bed, daily walks, and romping and 'zoomies' with other dogs at the dog park. While his family is still working on his excitability around other dogs and improving his recall, Jarrah loves food, hanging out with his work-from-home dad, is looking much healthier, and has not attempted to escape at all.

Hazel & Harry

Debbie Cross & Michael Long

Hazel became our sweet girl after being inappropriately housed by a backyard breeder on the Sunshine Coast. She's a lovely girl whose recent favourite pastime seems to be bandicoot hunting. Whenever she asks to go outside for a toilet break, we know her true intention is to hunt ♥.

Harry also joined our family from a backyard breeder who had an 'accidental' mating. When the puppies were nearly old enough to be sold, the breeder couldn't afford all the necessary injections and microchipping. They were surrendered to rescue in NSW to find loving homes. Harry is the biggest sweetheart.

Kevin & Ari

Allison & Andrew Dry

We were lucky to adopt Kevin and Ari in 2018 when we were preparing to say goodbye to our Weimaraner, Asha. Wanting our other Ridgeback to have companionship, we welcomed them into our home, and they all bonded wonderfully.

Now, nearly 6 years later, the boys are thriving. Kevin has always been the serious old man of the group, while Ari is the energetic bunny. As they approach 10 years old this December, we hope to have them with us for many more years. "Adopt

don't shop" will always be our motto, and it's how we welcomed these two lovely lads into our family.

Bobby

Rod Callaghan & Carie Morris

Bobby became a part of our family on August 29, 2021, due to a change in his circumstances. At 14 months old, he exuded boundless enthusiasm for life and held nothing back. Initially, he presented us with challenges, and we even questioned if he was the right fit. However, Bobby's true personality emerged, and he has blossomed into a mostly well-behaved dog.

Brimming with love and joy, Bobby adores everyone and everything around him. Taking him for a walk often turns into a lengthy adventure, as he insists on greeting everyone like a long-lost friend. He leaves a lasting impression on everyone he meets.

Ruby & Amarni

Helen Smith-Brown & Carl Brown

Ruby and Armani would like to thank you all very much for the opportunity to attend this year's rescue parade with our pets Helen & Carl.

We are forever grateful that we managed to find our way to your wonderful organisation while we waited for our relocation to our forever family. We have definitely landed on our feet since living with Carl & Helen, as like all Ridgebacks, we expect absolute luxury in regard to sleeping on couches, beds, outdoor furniture and access to all types of food! We have ample amounts of space to run around and play in, along with other dogs nearby to wind up and get them barking so they get in trouble...he he he... we are so cheeky!

But we love our pets to pieces and wouldn't have it any other way, thank you again for allowing us to be a match with them, they have really looked after us, we love them dearly!

The Rhodesian Ridgeback Club of Queensland Inc

The Rhodesian Ridgeback Club is an organization dedicated to promoting and preserving the Rhodesian Ridgeback breed. This club serves as a community for Ridgeback enthusiasts, breeders, and owners. It provides a platform for sharing knowledge, organizing events, and participating in activities related to the breed. One of the main goals of the Rhodesian Ridgeback Club is to educate the public about the breed and its unique characteristics. We aim to spread awareness about the breed's history, temperament, and health considerations. Through various educational initiatives, the club helps potential owners make informed decisions about bringing a Ridgeback into their homes. The club also plays a crucial role in maintaining breed standards and promoting responsible breeding practices. By setting guidelines and conducting health screenings, the club helps maintain the integrity of the breed and reduces the incidence of hereditary health issues. In addition to education and breeding standards, the Rhodesian Ridgeback Club of Qld organizes various events and activities for Ridgeback enthusiasts. These events provide an opportunity for Ridgeback owners to showcase their dogs' abilities and compete against other Ridgebacks. Moreover, the club fosters a sense of community among Ridgeback owners. This sense of camaraderie allows members to connect, exchange experiences, and seek advice from fellow Ridgeback enthusiasts. In summary, the Rhodesian Ridgeback Club of Qld is a dedicated organization that promotes and preserves the Rhodesian Ridgeback breed. Through education, responsible breeding practices, and various events, we strive to create a vibrant community for Ridgeback enthusiasts.

Mzilakazi Rhodesian Ridgebacks

Born in England, I grew up in a household that always had dogs, predominantly pure-bred, including a Great Dane, Golden Retriever, Labrador and both English and Staffordshire Bull Terriers. I spent my teenage years in Zimbabwe, where I developed an appreciation for the multi-talented Rhodesian Ridgeback, and I acquired my first show bitch in 1983 after emigrating to Australia. I bred my first litter in 1985 under the Mzilakazi prefix, and since then, although breeding sparingly, have been lucky enough to campaign a home-grown Specialty Best in Show, Specialty Runner Up in Show (the same year), and an All-Breeds Best in Show winner (also a Grand Champion), along with 13 conformation champions. I have also owned and shown Whippets.

I have been involved in Club administration for over 35 years, including many years on the Committee of the RR Club of Victoria, and more recently as President, Show Secretary and Treasurer (current) (over a period of 20 years) for an All Breeds Kennel Club in country Victoria, conducting 3 championship shows each year.

In 2009 I entered the judges training program, qualified to judge Hounds at Championship Show level in 2011, Toys in 2015, Non-Sporting in 2017 and Gundogs in 2018, and have been fortunate to judge Rhodesian Ridgebacks at Championship level in the UK.

I feel privileged to have judged my very first Specialty Show for this Club, way back in 2013 – coincidentally also on the 8th June, and I'm delighted to be invited to judge again – it will be interesting to see how/if the dogs have changed much in the intervening 11 years! I look forward to judging some lovely dogs!
