## Biography - John Mitchell

I have been 'officially' in Dogs Queensland for over 35 years I suppose when I first started showing chihuahuas and developed a love for the exhibition side of the sport.

Unofficially, I started in the mid 70's when I was a member of the Toowoomba Dog Obedience Club and was training a Fox terrier/ Pomeranian cross for a few years.

Over the years I have had a few Chinese Crested Dogs, just as house companions, and recently incorporated a Miniature Pinscher into our 'pack'.

Shortly after showing chihuahuas, I developed a passion for Bouviers which has been there ever since.... I still have two elderly girls at home they are very much part of our family.

I have explored the sport of tracking with one of my boys, and although we did not compete, we went to training with him for a few years and I just loved watching him work.

I am very keen on the sport of "Herding" and have trained and trialled some of my dogs to advanced titles in ANKC "C Course Herding". I am fully qualified to judge all tests and trial levels in all three disciplines of the sport.

I have now started training with my MinPin in the area of Scent Work and am loving the relationship that we are developing in this sport. Personally, I am learning to trust my dog's decisions and learning how to read her behaviours more accurately. As an aside, I just love watching her 'prance' around the trial areas when she is working.

Over the last 13 years I have been involved with the Judges Training Scheme and have appreciated learning about the diversity of breeds in the seven groups that we embrace. The expression that "Form follows Function" becomes abundantly clear with every breed that I encounter. It doesn't matter how much you read, or how many people you talk to about a breed, I am always learning something new about the breeds I have covered.

I would like to thank the Sporting Spaniel of Queensland for giving me this opportunity to extend my learning and understanding and I am looking forward to this opportunity. Thankyou.
